Fifth Annual Coat Collection

by Cub Scout Packs 71 and 98

November 15 – December 13

For the fifth consecutive year, it's time to recycle those old outerwear coats that are in great shape and that you are no longer wearing. You know, the ones that just hang in your closet or are in a storage chest from one year to the next and never get used. There will be many people in need of outerwear coats this winter, and you can help them by donating as many as you can gather. They must be in GOOD CONDITION and CLEAN, used or new, and outerwear coats only. To repeat—COATS ONLY!

Dropoff Period

November 15 – December 13

Dropoff Sites

- **Malvern Public Library**
First & Warren Avenues, Malvern
- **Paoli Public Library**
(rear entrance to Wachovia Bank, Lancaster Avenue, Paoli)
- **General Wayne Elementary School (lobby)**
Devon & Grubb Roads, Malvern
- **Sugartown Elementary School**
Sugartown and School Roads, Malvern

■ **Willistown Towne Hall**
688 Sugartown Road, Malvern
(Towne Hall is open for dropoff from 8 am to 12 noon and from 1 pm to 4 pm, Monday through Friday.)

NOTE: The cutoff date for this program is December 13th, after which bins will no longer be available for dropoffs.

All coats will be given to a mission outreach program for distribution at no cost to anyone in need. Anyone. Free! In our first four years, we've collected and donated almost 2,000 coats. Thank you all, but don't stop now! Our goal is another 500 coats this year. This "recycling" program makes sense, and it works.

Please make an extra effort to gather the coats you are no longer using and drop them at one of the aforementioned locations. Willistown Cub Scout Packs 71 and 98 have volunteered to coordinate this program as they have done so successfully in previous years. Thank you, Cub Scouts! And thank you, Alice Heiman-Dowd, for supervising this community service program of the Cub Scouts.

Questions about this program may be directed to Jim Tate, chairman of the Willistown Recycling Committee, 610-647-7361.

Special Shredding Opportunities

November 8 and December 13

Merchants of the Frazer Shopping Center, 480-490 Lancaster Pike, Frazer, PA, are sponsoring free shredder events on Saturday, November 8th, and Saturday, December 13th, in the parking area of the Frazer Shopping Center. Hours are 10am to 3pm. A Wiggins Shredding truck will be visible upon entering the parking area in front of the shops in the center. Details, details:

1. The following items will not be accepted: binders, binder clips, hanging file folders with metal rods, plastics, refuse, metals,

string, X-rays, transparencies, computer disks and spiral notebooks. If you bring them, you'll go home with them. Those are the rules, folks.

2. No need to remove paper clips, staples or rubber bands.
3. Residents only. Three-box limit.
4. Willistown is not a sponsor. Questions should be directed to Wiggins Shredding, 610-692-TEAR.
5. Paper will be shredded on site.

Please consider using the merchants in Frazer Shopping Center, who are sponsoring these shredding events.

Note: Every effort has been made to mail this newsletter prior to November 8th. It's "touch and go" as we finalize copy, design, printing and mailing. The good news is that should this newsletter arrive too late for residents to participate in the November 8th event, there is another one on December 13th. Dare we say, "Happy Shredding to You and Yours?"

ADMINISTRATIVE NOTES

Winter Road Tips

From the Willistown Public Works Department

Parking

Wintertime will soon be with us and our road department reminds everyone to please not park on streets until they have been plowed and cindered. Township ordinance #1-1996 prohibits parking on public streets for eight hours after a snow or ice storm begins until the streets are clear. When at all possible, please park your car in your driveway, not in the public streets, during snow events so the plows can safely clear your street.

Clearing Your Driveway

If your street has not yet been plowed, leave about a two-foot area at the end of your driveway not shoveled or plowed until the street plow passes. This will prevent the snow in front of the plow from unloading into the opening of your driveway and will allow you to finish shoveling without having to clear heavy snow piles from the street.

PennDOT Roads

The following roads in Willistown are the responsibility of the Pennsylvania Department of Transportation (PennDOT): Route 30, Paoli Pike, King Road west of Sugartown Road, Goshen Road, Route 926, Route 3, Delchester Road, and Providence Road south of Goshen Road. Any problems or complaints regarding these roads should be addressed to PennDOT at 484-340-3200. All other Willistown roads, except for private roads, are the responsibility of the township.

Sewer Payment Reminder

Your third-quarter sewer payment, along with the payment stub, should be mailed by November 17, 2008. The fourth-quarter sewer payment is due by February 17, 2009. If you need a copy of your annual bill, please notify the township office at 610-647-5300, ext. 237. Your annual sewer bill for 2009 will be issued April 15, 2009.
