**TEAM FIELD USE APPLICATION & PAYMENT FORM**

Please contact Willistown Parks and Recreation at [mhundt@willistown.pa.us](mailto:mhundt@willistown.pa.us) to inquire about field use availability. Make this inquiry and wait for communication back **PRIOR to filling out this application** to assure facility availability. Please Note: Unfortunately, the Township is not able to accommodate all field use requests.

**FIELD USE GUIDELINES**

**RAINOUPS:**

**The fields may only be used weather permitting and field conditions permitting.** Please be responsible about your use of this Willistown resident owned facility. You know when the fields should not be in use and when use is causing damage. Use during inappropriate weather or field conditions is grounds for expulsion from field use without reimbursement and that team will be responsible for facility restoration costs.

The Township can not reimburse for dates that are rained out, but will attempt to reschedule your date(s), schedule permitting. There is no guarantee that dates will be rescheduled.

**NO REFUNDS:**

There are no reimbursements for deletions of schedule dates or dates that are unusable due to weather conditions.

**MAINTENANCE:**

**For the baseball/softball teams: Home team coaches MUST drag the infields after each game and fill in craters and divits at home base and the pitcher's mound with material provided.** There is a Ball field Grooming Waiver attached to this document. The Team Contact person is responsible for having the home team coaches execute these waivers and having them submitted to the Township prior to any dragging of the fields.

**For all teams:**

Teams are responsible for lining the fields (no spray paint) and raking infields, etc.

The Township contractor drags the ball fields once per week. The fields are mown once per week by a Township contractor, teams are not permitted to mow the fields. Use of fertilizers, drying agents or compounds on fields is not permitted. The township does not supply bases, any play supplies, storage lockers or goals. As a courtesy, the Parks Department can send an email to the field use group on behalf of a team requesting to borrow goals already on site asking if there is a party willing to share their goals and giving the requesting team's contact information. That is the extent of what Willistown can do. Teams must pick up all trash after use. Please email any maintenance concerns to Mary at [mhundt@willistown.pa.us](mailto:mhundt@willistown.pa.us).

Teams not following these guidelines risk expulsion from field use without reimbursement.

**VENDING:** No sales of food or goods may occur at the Township parks.

### **FIELD USE GUIDELINES**

#### **RAINOUPS:**

**The fields may only be used weather permitting and field conditions permitting.** Please be responsible about your use of this Willistown resident owned facility. You know when the fields should not be in use and when use is causing damage. Use during inappropriate weather or field conditions is grounds for expulsion from field use without reimbursement and that team will be responsible for facility restoration costs.

The Township can not reimburse for dates that are rained out, but will attempt to reschedule your date(s), schedule permitting. There is no guarantee that dates will be rescheduled.

#### **NO REFUNDS:**

There are no reimbursements for deletions of schedule dates or dates that are unusable due to weather conditions.

#### **MAINTENANCE:**

Teams are responsible for lining the fields (no spray paint) and raking infields, etc. **Teams MUST rake the infields after each game. Divits and craters in and around the pitcher's mound and home plate must be raked and filled in. Extra Diamond Tex is stock-piled nearby.** The Township drags the fields once per week. **At this time the Township is in discussion with it's insurance carrier regarding the possibility of a team donating a tractor, drag, shed, and leaving bases in the shed. Each home team coach will then be responsible to drag the baseball/softball field(s) used after each game.**

The fields are mown once per week. Teams are not to communicate with the grounds maintenance subcontractor. Let Mary know of any concerns you have. Use of fertilizers, drying agents or compounds on fields is not permitted.

The Township does not supply bases, any play supplies, storage lockers or goals. As a courtesy, the Parks Department can send an email to the field use group on behalf of a team requesting to borrow goals already on site asking if there is a party willing to share their goals and giving the requesting team's contact information. That is the extent of what Willistown can do.

Teams must pick up all trash after use.

Please email any maintenance concerns to Mary at [mhundert@willistown.pa.us](mailto:mhundert@willistown.pa.us).

Teams not following these guidelines risk expulsion from field use without reimbursement.
