The applicant was represented by T.R. Moser who responded to the comment letter by John Gaadt and Mike Conrad regarding the latest narrative by Alyson Zarro, Esq. Given the complexity of this multi-faceted project, the members of the Planning Commission are anxious to insure that from the standpoint of the present residents, the projected residents, and the Township, all phases of each of the associated projects provide an in-depth and agreed-upon narrative describing the process.

Respectfully Submitted,

Rita E. Reves, Acting Secretary
