1. 2700 Whitehorse road
David Semerjian, builder
Alex Zozaya owner

The Commission recommends approval of the renovation, with suggestions to change the roofline to respect the original massing of the structure. No request to reappear before the historic commission.

1. Historic Structure Definition:
What is the difference between “contributing resource” and “historic resource” classifications?
Answer: Which and how many of the facades are subject to HC review.

1. Certified Local government rough draft - Bart and Greg.

A work still in progress.

1. Next scheduled meeting, February 2, 2021
