**RESOLUTION 17 OF 2013 (Page Two)**

The Governmental Unit named on this resolution resolves that:

- (1) The Bank is designated as a depository for the funds of the Governmental Unit and to provide other financial accommodations indicated in this resolution.
- (2) This resolution shall continue to have effect until express written notice of its rescission or modification has been received and recorded by the Bank. Any and all prior resolutions adopted by the Governmental Unit Officers of the Governmental Unit and certified to the Bank as governing the operation of this Governmental Unit's account(s) are in full force and effect, until the Bank receives and acknowledges an express written notice of its revocation, modification or replacement. Any revocation, modification or replacement of a resolution must be accompanied by documentation, satisfactory to the Bank, establishing the authority for the changes.
- (3) The signature of an Agent on this resolution is conclusive evidence of their authority to act on behalf of the Governmental Unit. Any Agent, so long as he/she acts in a representative capacity as agent of the Governmental Unit, is authorized to make any and all other contracts, agreements, stipulations and orders which they may deem advisable for the effective exercise of the powers indicated on page one, from time to time with the Bank, subject to any restrictions on this resolution or otherwise agreed to in writing.
- (4) All transactions, if any, with respect to any deposits, withdrawals, rediscounts and borrowings by or on behalf of the Governmental Unit with the Bank prior to the adoption of this resolution are hereby ratified, approved and confirmed.
- (5) The Governmental Unit agrees to the terms and conditions of any account agreement, properly opened by any Agent of the Governmental Unit. The Governmental Unit authorizes the Bank, at any time, to charge the Governmental Unit for all checks, drafts, or other orders, for the payment of money, that are drawn on the Bank, so long as they contain the required signatures for this purpose.
- (6) The Governmental Unit acknowledges and agrees that the Bank may furnish at its discretion automated access devices to Agents of the Governmental Unit to facilitate those powers authorized by this resolution or other resolutions in effect at the time of issuance. The term "automated access device" includes, but is not limited to, credit cards, automated teller machines (ATM), and debit cards.
- (7) The Governmental Unit acknowledges and agrees that the Bank may rely on alternative signature and verification codes issued to or obtained from the Agents named on this resolution. The term "alternative signature and verification codes" includes, but is not limited to, facsimile signatures on file with the Bank, personal identification numbers (PIN), and digital signatures. If a facsimile signature specimen has been provided on this resolution (or that are filed separately by the Governmental Unit with the Bank from time to time), the Bank is authorized to treat the facsimile signature as the signature of the Agent(s) regardless of by whom or by what means the facsimile signature may have been affixed so long as it resembles the facsimile signature specimen on file. The Governmental Unit authorizes each Agent to have custody of the Governmental Unit's private key used to create a digital signature and to request issuance of a certificate listing the corresponding public key. The Bank shall have no responsibility or liability for unauthorized use of alternative signature and verification codes unless otherwise agreed in writing.

Re: Collateralized Deposits

To Whom It May Concern,

For the purpose of collateralizing public funds and municipal deposits that exceed FDIC insurance levels, Meridian Bank is obligated to collateralize deposits of public entities. This is achieved either with a Letter of Credit (LC) issued by the Federal Home Loan Bank (FHLB) of Pittsburgh, or by pledging specific securities as pooled collateral as outlined by the Commonwealth of Pennsylvania as per Act No. 72 of 1971. Specifically, Meridian Bank pledges U.S. government-sponsored entity (GSE's) Agency structured notes, debentures, and notes at 102% of market value to collateralize these deposits. These securities are valued by an independent third party (Reuters). The safekeeping arrangement for this pooled collateral is provided by Atlantic Central Bankers Bank (ACBB), also an independent third party.

Should you have any further questions regarding the collateralization of deposits, please feel free to contact your relationship manager at Meridian Bank.
