Land Development:

L-06-15/S-04-15 Paoli Walk – West Central Avenue
Grays Investment/Bentley Homes

Because the applicant did not appear as scheduled, no action was taken on this Land Development.

Zoning Discussion:

John Gaadt, our Planning Consultant, provided an ordinance from one of our neighboring Townships which regulates model aircraft (including drones) and amateur rockets. Previous discussion had indicated that such an ordinance should be considered for Willistown due to the popularity of small drones. After discussion John was asked to return with some recommended ordinance wording to keep the Township “ahead of the curve”.

Respectfully submitted,
William Bowers, III, Acting Secretary
