

WILLISTOWN TOWNSHIP RECYCLING COMMISSION MEETING MINUTES
688 SUGARTOWN ROAD, MALVERN, PA
September 11, 2018

The regular meeting of the Willistown Township Recycling Commission came to order at 7:04 pm.

Members present: Molly Perrin, Bruce Hartlein, Ken Lehr, Mark Bem, Susan Vogel, and Karl Malessa

Old Business

- Educational excursions will be scheduled with a target date of February 1, 2019. Molly to contact Waste Management, Ken Lehr to contact Republic and Mark Bem to contact eForce to set up tours on that date.
- 2018 Grant Writing: Susan Vogel met with Caroline O'Connor and is on target to meet the September submission deadline. She has been having difficulty getting tonnages from haulers but she will keep pressing so we can meet the September 28, 2018 deadline.
- Ordinance Writing: Nothing new was reported at meeting. Need to hear from Jim Tate.
- Public service handouts. Mark Bem will bring some ideas to next meeting so we can set up boards at chipping event. Ideas included Top 10 FAQ (need some input from Tate on that), Questions and Answers, etc. It was suggested that this be produced in a size that is readable by citizens as they wait in their cars during the chipping event (citizens can be encouraged to photograph them rather than pass out on paper).
- Mailing was done for the fall chipping event to correct the date in the Crier (the date is **October 20**, NOT October 30 as reported in the Crier).

New Business

- Minutes from the August meeting were reviewed and approved.
- Susan Vogel's name was added on the Township website.
- Molly to attend the Chester County Professional Recyclers Meeting on September 13 in West Chester.
- Karl presented a 2016 letter from State Representative Duane Milne that addressed the taxation of plastic bags at the municipal level. Copy attached. This topic was brought up over the summer by one of our constituents.
- Molly reported that there was no constituent correspondence in the past month.

Citizen's Comments

None.
